**Customers with shellfish allergies please notify your server
and refrain from any fried items.**

Our history

My father, Rudy Williams, began selling seafood in Hamilton in 1970. After his death in 1999, the business grew into Lowry's Farm & Seafood Market. On September 22, 2007, we opened Lowry's Crab Shack at Wayside.

Donald and I proudly continue the tradition of my father. We honor his memory and love of the community by providing fresh Chesapeake Bay seafood from the Northern Neck. We are committed to providing our community with fresh seafood.

Please stop by the counter and share your feedback with us so we can continue to improve our business. Thank you for your patronage.
